Sir:

In the Notice of Allowability mailed January 6, 2005, the Examiner allowed claims 1-38. Applicants believe that the examiner's statement of reasons for the indication of allowable subject matter should read: "claim 1 recites at least in part:...", and not "the allowability recites at least in part:...". In addition, although the applicants' attorney agrees with the Examiner's conclusion that these claims are allowable, the applicants' attorney notes that the claims may be allowable for reasons other than those identified by the Examiner and does not concede that the Examiner's characterizations of the terms of the claims and the prior art are correct.

Respectfully submitted,
Perkins Coie LLP
